Short description

Early on, I discovered my passion for make-up and the joy of getting the best out of people.

In recent years I have been able to participate as a freelancer in many great projects and works such as: Fashion Week in Milan, ORF South Tyrol, the “Ballo del Doge” in Venice, the film project “Amateurs” of the TGM Media Group, IDM South Tyrol “Home Country Campaign”, the magazine Awake Revue, the companies: Orthopant, Loacker, Birkenstock, and many more!
