

Claudia Nussbaumer

Trainee (Directing), Trainee (Production Design)

E-mail claudia_nussbaumer@yahoo.de

Short description

Through my participation in movie classes, smaller productions and being a committee member of the Film Society in my university, I became more and more interested in the production of movies especially the production design and direction.

Every genre and format gave me new insights. Now, I would like to dedicate my time off university to my passion.

Education

Period Institution/Location

2017 - 2021 **NUI Galway**
