Short description

Wide Group SpA was founded in 2016 by Eurobroker Srl, a historical Alto-Adige-based broker, and is now one of the leading insurance brokerages in Italy.

The insurance broker is a consultant that operates in the sole interest of the client, for whom he finds the most suitable solutions in the national and international insurance markets.

Wide Group thanks to its experience in the audiovisual and show business can offer tailor-made solutions for insurances for videomakers, movies and similar events.

The professionalism, the independence and the ethics of Wide Group's people are the shared values that guide relationships with customers and collaborators.

Experience, specialization and innovation are the qualities that Wide Group promotes every day.
