## Short description

I graduated in Communication in Bologna with a thesis on the documentary genre with a semiotic approach, and I am currently specializing in the class of editing and sound at ZeLIG Documentary School in Bolzano.

Ecological and social themes are very dear to me, I try to work on films that have a mission aimed at an ecological and inclusive sense.

I can work in Italian, English and German speaking film sets. I am available for editing and sound internships.

## Education

| Period      | Institution/Location         |
|-------------|------------------------------|
| 2016 - 2019 | Alma Mater Studiorum Bologna |
