Short description

The main emphasis of the company is on news reports, documentaries as well as educational films commissioned by TV channels and public entities such as the ORF, ZDF, ARD, Arte, 3Sat, Bayerischer Rundfunk and Rai. Today Ebner Film's portfolio also includes adverts and company presentations. The team comprises seven permanent employees, specialized in video recordings and post production. Shots on track dolly's, steady cam shots and crane shots belong to our program. For the postproduction the programs used are AVID Mediacomposer and Final Cut Pro, Motion and After Effects.

Recently with the entry of Alexander Ebner, the company also focuses on the audio production with its own production of commissioned film music.
