Short description

My 10 years of work as an author and director of my own documentaries has given me a lot of experience for in-depth research and also in choosing locations. I could contribute my experience as a researcher in the creation of scripts, I can also act as a location scout and as a stringer (search for locations, interview partners, etc. for documentaries).

Education

Period	Institution/Location
2005 - 2007	Radio Südtirol 1, Bozen
2000 - 2002	Hochschule für Angewandte Kunst, Wien
1999 - 2004	Universität Wien
