### Short description

I was born and grew up in Riga, Latvia. There I graduated from Highschool of Art with a video art project. In 2017 I attended FAMU summer filmmaking initiation campus and in 2018 I moved to Italy, where I was selected for the basic course in directing in Centro Sperimentale di Cinematografia, Roma.

This year I graduated in documentary directing at the ZeLIG school for documentary in Bolzano, with my graduation film "AMA OSA".

Right now besides working on my own artistic research, I am interested to gain more experience on the film sets as a 2AD.
