Short description

Alpine school in Toblach:

Activities: Guided ski tours, snowshoe hikes, climbing tours, ski tours around the world, trekking and mountaineering tours around the world, wild trails (trekking in pathless terrain, sleeping in secluded bays with abseiling points), high tours, courses of any kind (ski tours, climbing, ski tours, ski tours tours, avalanche courses). The leading alpine school in South Tyrol with 30 years of experience – young & brave

"Where everyone else is, we are missing. "
