Short description

I am mainly a director, DOP and editor. I have made several commercials as a director while as an assistant director I worked on the commercial "Loacker - Goodness is a choice" for Loacker in 2019. As a director, I have participated in several editions of the BZ48H-short film contest and made the shortlist several times. For almost all projects where I was director, I was also camera operator. Co-written with Alessio Posar, I directed the short films "La Relazione", "One Night Stand" and "Crémaillère", which were selected in several festivals in Europe. I work with KAMA Productions as coordinator, organizer and production secretary for both documentaries, short films and live events. I am available to work on international sets in English (B2), French (C1) and Italian (mother tongue).
