Short description

My name is Nicole Frasnelli, I'm 27 years old and I live in Ora. In 2022 I started working as driver for filmproductions. I worked for Albolina, Helios and Filmvergnügen as Driver, Hard Disk Driver or as Unit Manager. My dream is to become D.O.P. In the last project I had the opportunity to learn about the work in the Camera department which confirmed my dream of being part of this. From January to April I will be in Asia to become a Dive Master and Dive Instructor and after I will attend an underwater filming school, because in the future I would like to become an underwater D.O.P
