## Short description

Philipp Rubatscher was born in a Ladin-speaking village in the Dolomites. After attending high school in South Tyrol and the UK, he studied communication, media and advertising in Milan and Madrid. He found in cinematography the perfect combination of his technical knowledge with creativity. At the film school ZeLIG in Bolzano, he began to develop his own vision of the world and now works on smaller and larger projects in various countries, mainly as a cameraman and drone pilot.
