## Short description

We record an event with staff fully equipped of Full HD or 4K cameras and motion-picture cameras.

With german and italian mother tongue journalists we transmute ideas into words.

The Full HD or 4K digital editing finalizes the result together with a 2D and 3D graphic systems and with groups dedicated to the visual effects and color correction.

With professional dubbers we give voice to our videos in any language, with original and suggestive background themes.

We edit the final product in any format or we convert it in any kind of file or system in order to give our clients the possibility of using it worldwide and in any environment.
