Short description

After attending the Art Institute in Trento, I decided I wanted to become a set designer. In order to fulfil my dream, I enrolled at the Academy of Turin and graduated with top marks. After creating some Theatre shows for children, I returned to South Tyrol to experiment the seventh art, the cinema. Thanks to the constant research my network of knowledge is expanding and solidifying as I go. I love sunny and united teamwork, which I believe is fundamental to face great challenges.
