Short description

I gained some experience as a crowd marshall in cooperation with FUEL Casting&Videoproduction of Elisabeth Fulterer. After my graduation at the Accademia Nazionale del Cinema I worked there, besides my university studies, as support for the directing students and production assistant for their final short films. Furthermore I worked at some Film and TV projects.

My aim is to gain and consolidate experience in the production of feature films and TV series. I'm flexible in terms of working hours and speak fluently German, Italian and English.
