Short description

Originally from Meran, after my studies I lived in Munich, Toronto and Greece where I worked as a Hotel Manager. Since 2015 I live in London where I work as Head of Research and production associate for a Film and Tv production company. Besides that, as a freelance Producer I produce advertisings, promo clips and low budget feature films. Film is my passion, from development to the production itself. I'm organised, reliable, like to work in a team, can take decisions and always happy to learn new things!
