Short description

In 2019 I did a year abroad where I got a lot of interest in acting, VFX and directing. In my free time I attended one of the best drama schools in Ireland and took part in a theater course.

In 2020 I worked in the film Resilient (Film director: Roberto Faenza, Producer: Elda Ferri, costume designer: Milena Canonero and actress Laura Haddock) as pre-editor.

In the Summer 2020 I worked at the open cinema in Val Gardena and worked volunteer at the Dolomitale filmfestival.
