

Latsch – New Cemetery

Description

The new addition to the cemetery includes a chapel and pergola connecting the new section to the old cemetery and the town church. The new addition also serves as a link between the upper and lower sections of the city, with a furrow-like passageway leading to the chapel, which almost seems like a fish to those observing it from above. The roof also provides shelter for the mortuary chapel.

Address

Hauptstraße - Via Principale
39021 - Latsch - Laces
