

Mauls Schlucht (Gorge)

Description

Mauls is a small village in the municipality of Campo di Trens (Freienfeld) in the Wipptal Valley. Behind the village, there is a road that leads to the farms of Ritzail, at an elevation of 1,500 meters. After about 1.5 km, a narrow unpaved side road branches off to the left, running through this wild and romantic gorge along Sengesbach Stream into Himmelreich (lit: Kingdom of Heaven).
