

Villaggio montano Malga Fane

Descrizione

Malga Fane è il più bel villaggio alpino dell'intero Alto Adige. È situato nella valle di Valles (1.739 metri s.l.m.) e incastonato in un idilliaco scenario montano e naturale. Case, fienili, una piccola chiesa e tre ristori alpine compongono il caratteristico villaggio alpino. Costruito nel Medioevo come lazzaretto per i malati di peste e colera, Malga Fane è oggi privo di traffico e tutelato dalle Belle Arti.
